

Sebastian Kropp new International Sales Manager Europe at Pentair Jung Pumpen

The internationally operating manufacturer of pump technology based in Germany is relying on experience from its own team and is assigning Sebastian Kropp (34) the sales management for the international European market as of 1st January 2023. Kropp joined Jung Pumpen in 2021 and was responsible for sales of the Jung Pumpen brand for the wastewater pump sector and Sta-Rite for freshwater pumps in Northern Europe. He now takes over the sales of these products strategically and operationally for almost all of the foreign European markets. Prior to that, he was Export Sales Manager at a European pump manufacturer for eight years and is therefore very familiar with the international pump market. Sebastian Kropp succeeds Cecilia Bernardini, who is taking on new responsibilities within the Pentair Group.

Pentair Jung Pumpen – Quality made in Germany

For almost 100 years Jung Pumpen has been developing and producing sewage pumps, lifting units and pumping stations for private house and property drainage as well as for large-scale projects in industry and municipalities. As a system provider for sewage disposal technology and pressure drainage, the company is one of the market leaders in Germany. Jung Pumpen is a subsidiary of Pentair plc with 11,250 employees in 150 countries.
